Christian Living & Practical Ministry Resource	Waking The Dead	John Eldridge	Ransomed Heart Ministries	Jesus said: "I have come that they may have life, & have it to the full." That's the offer of Christianity, from God Himself. Just look at what happens when people are touched by Jesus - the blind see, the lame walk, the deaf hear, the dead are raised to life. In other words, to be touched by God is to be restored. To become all God meant you to be. That is what Christianity is supposed to do for you - make you whole, set you free, bring you fully alive. But Jesus also warned that the path to that life is narrow, & few people would find it. You'll notice few have. Waking the Dead will help you find that life, see the fierce battle over your heart, & embrace all that God has for you. There is so much more. Do you want it?	Book
